

About the Conference

The MercuryGate User Conference is the premier industry event for shippers, logistics providers, brokers, and forwarders. Our goal is to give MercuryGate customers and partners an opportunity to gather and learn about industry trends and issues, the latest solution features, and exchange ideas. The agenda is filled with the latest information on getting the most value from MercuryGate's innovative product suite, industry insights from market leaders, and social opportunities to interact with your peers. We invite you to jump on board and collaborate with us to deliver the most exciting Velocity event yet.

Silver Level (10 Available)

Being a sponsor at the MercuryGate User Conference is a wonderful way to expand your presence in the logistics and transportation community through exhibiting, networking, and branding. Our user conference is a great springboard to launch new products and solutions. Be one of the first ten (10) to grab this opportunity to connect with our community.

- **Pre-Event**

- Logo and participation level on event website
- Company description on web site (50 words)
- Branding and logo in footer of conference emails
- Sponsorship announcement on social media

- **On Site**

- Branded turnkey booth
- Complimentary Registrations (1 total)
- Announcement of company name in Welcome Session
